**MESSAGE FROM
PRESIDENT OF PAKISTAN ROTTWEILER CLUB**

I have a dream for Pakistan's Rottweilers that they should perform both in conformation shows and in working trials

The purpose of the club is to safeguard the nature of the pure-bred working Rottweiler. We do this by closely following the Breed Standard. We will purpose our dog shows to find the dog that best suits the standard. In future we will do the DNA ,HD/ED and working trials. We encourage our members and Rottweiler owners to become knowledgeable, visible and vocal in order to safeguard the breed standard. I want to congratulate PRC Show committee team for putting this marvelous and grand show.

One thing that we all have in common is that we love them by heart and for us it is the best BREED in the world.

Regards

Farid Ahmed Qureshi

President
